The Role

7. The role of each elected Bar Council member is to represent their constituency – whether that is practice area, Circuit or colleagues who have been practising for a similar amount of time – and bring their views to the Bar Council's attention for discussion and debate. Becoming an elected member of the Bar Council provides a real chance to get involved in how the Bar Council discharges its representative functions and an opportunity to represent the profession.
8. The Bar Council is due to meet six times in 2027 (including meetings on Saturday mornings) and all elected and representative members are encouraged to attend as many of these meetings as possible. Meetings are usually held in person with hybrid facilities. Elected Bar Council members also serve on one or more representative committees which meet on average six to ten times a year, normally on a weekday evening. Representative committee meetings have dial-in facilities for those who are unable to attend committee meetings in person.

Eligibility for Nomination

9. To be eligible a candidate must:
 - (a) hold a valid practising certificate; and
 - (b) submit a completed and signed nomination form no earlier than 09:00 on Monday 7 September 2026, and no later than 17:00 on Friday 18 September 2026.

Procedure for Nomination

10. All candidates wishing to stand for election should be "subscribers". "Subscriber" is defined in Part 1 of the Bar Council Constitution and includes any barrister with a current practising certificate.

11. Candidates must sign the nomination form to indicate their consent to serve if elected.
12. The nomination form should state the candidate's name exactly as it is intended to appear on the ballot paper.
13. A nomination form is attached. This form, signed by the candidate, must be emailed to the Bar Council (Elections@BarCouncil.org.uk) no later than 17:00 on Friday 18 September 2026. It should be accompanied by a short statement (see paragraph 16).
14. Receipt of nomination forms will be acknowledged after checking validity. If, for whatever reason, prospective candidates do not receive an acknowledgement, they should contact the Bar Council before the deadline for delivery of nominations.
15. Candidates are asked to include a short statement, for which a template comprising three questions is provided. Completed statements, which should be in a Word format, are also to be emailed to Elections@BarCouncil.org.uk. These will be accessible to all voters during the voting process. Candidates will also be given the opportunity to record their statements should they wish.

Voting

16. If the number of eligible candidates proposed does not exceed the number of vacancies in each category, as specified in paragraph 3 above, such candidates shall be automatically elected.
17. If the number of eligible candidates proposed exceeds the number of vacancies in one or more categories, members of the profession will be invited to vote via MyBar. Voting via MyBar will open no later than Friday 2 October 2026 and votes must be cast no later than 10.00 on Friday 16 October 2026. The elections will be conducted by single transferable vote (STV) and the results of the elections will be announced by listing candidates in the order of voter preference.

Term of membership

18. Those elected will take office on 1 January 2027 and will retire after three years' service, with the exception of those specifically elected for a shorter period. Where a shorter term is indicated for a post, the successful candidate with the least number of votes in the relevant category will be appointed for the shorter term.
