This was in response to the following campaign: Harriet Harman KC B&H review.

Subject: Re: Submit your views to the independent review of bullying and harassment at the Bar

Having been on the receiving end of extreme bullying by one Judge in [REDACTED] and having reported it, and being asked for statements from those who witnessed it, knowing that a former member of their chambers would get to see these statement. I have absolutely no confidence in discretion, or that my career will not suffer. I am no shrinking violet, but the hell I was put through for 2 years has stayed with me for the last 3 years.
Never again.
