## Hear from previous sponsors

Previous sponsors have found the Bar Conference to be a useful platform to market their services and generate new business.

The conference is a great showcase of what the Bar Council offers. We were delighted to have the opportunity to be involved and to engage in meaningful conversation with some of the organisation's valued members. The event was a great success, and we were grateful to support it.  
**Mitigo Group**

We had some good conversations with some engaged and interesting/interested people. Got lots of good intel from the speakers too which we've fed back to senior leaders.
