### Description and how to apply

3PB Barristers (3 Paper Buildings) and our thriving and expanding Crime Team are looking to recruit two 3rd Six Pupil to start as soon as possible: with a view to being kept on in a permanent position as a member of chambers. This is due to the increasing volumes of criminal work, both public prosecution and defence work as well privately-paying cases and regulatory crime. Our Criminal team continues to go from strength to strength and is consistently recognized as a Tier 1 criminal law chambers on the Western Circuit by the legal directories. With 32 criminal law barristers within the team, including 6 Silks, you will be joining an established legal team with the opportunity to build an excellent practice on the Western Circuit, practising from either or both of our offices in Winchester or Bournemouth.

The successful applicants must be able to demonstrate they have developed their professional skills during their initial period of pupillage. They will have excellent advocacy skills, strong analytical skills and great cross-examination ability. They will be able to demonstrate a real commitment to criminal law and they will have an opportunity to progress rapidly into regulatory crime work if desired.

The third six months pupils will benefit from pro-active support and be allocated a member of chambers as a mentor (akin to a supervisor) and work alongside a more junior barrister who will fulfil a similar, but more informal, role.

This third six months pupillage is unfunded and the successful candidate will be expected to generate their own income from our caseload. The Third Six pupillage will last for 6 months. Successful applicants can expect to be busy and in Court regularly. Supported by efficient and professional staff, this is a great opportunity to further develop your career within 3PB's friendly, collegiate environment.

Chambers is committed to providing our clients with high quality, specialist legal services through barristers with the highest reputation for advocacy, knowledge and professional standards and we are looking for candidates who will uphold these core values.
