### Description and how to apply

12CP is a progressive set based on the South Coast. Our areas of expertise have been refined over the past 50 years, during this time we have always held strong ties to Local Government, working alongside countless authorities. We are a multidisciplinary set with specialist practice teams in Crime, Property & Social Housing, Regulatory & Local Government, Civil, Planning & Land, Employment and Education law.

We have a surplus of work in all areas, especially Crime, and we are looking for the right person to help us service this work.

We are committed to promoting access to the profession to those who have historically been underrepresented at the Bar.

We are proud of our commitment to wellbeing at the Bar and promote a healthy work-life balance.

We invite applications from pupils who are completing or have already completed pupillage at other leading sets and are committed to life on the Western Circuit. We are looking for probationary tenants with a view to becoming junior tenants, ideally after 6 months.
