Description and how to apply
<p>5CL Commercial Barristers Chambers is a small but growing commercial set and is actively seeking assistance with its commercial practice and would like to recruit a third six pupil.</p> <p>5 Chancery Lane Commercial Barristers is a modern Commercial Barristers' Chambers operating out of the heart of legal London and London Gatwick, West Sussex. Chambers is founded by Tahir Ashraf, a multi-award-winning commercial barrister.</p> <p>We are particularly keen to hear from those with a commercially focussed outlook and a dynamic business mind-set, with a strategy for developing a successful practice at the self-employed Bar to join us. If you think you fit the bill why not contact us? We value diversity, encourage creative and original thinking.</p> <p>We are accepting applications for third-six pupillages to start immediately, although this is flexible. Third six pupils will be supervised throughout their pupillages and will receive ongoing feedback. Crucially, we are looking for third six pupils who have the potential to become outstanding barristers.</p>

To apply, please send a covering letter and CV and any references that you would wish us to consider including from solicitors and / or current or former pupil supervisors to the Chambers Director to [info@5cl.co.uk](mailto:info@5cl.co.uk)
