Description and how to apply

## Vacancies for third six pupils

---

Carmelite Chambers is currently looking for two third six pupils to join our busy team of junior barristers.

Chambers has a strong and thriving junior end with a loyal client base. Despite the disruption caused by COVID-19, we now need to recruit two third sixes in order to deal with the extra work coming into Chambers and continue to provide the best possible support and service to our solicitors. We are looking for exceptional candidates with a proven interest in our core practice areas of criminal defence, professional discipline and extradition.

### **What we offer:**

- Third six pupils can expect to be in court every day, covering work across our practice areas.
- All third six pupils will be allocated a supervisor and shall be mentored and assisted through our 'transition to tenancy' programme.
- Applications for tenancy following third six may be submitted before the expiration of the six-month term.

We do not expect applicants to be able to bring work to Chambers. We are looking for individuals who we believe would make strong junior tenants and who are ready, willing and able to meet and exceed the high standards expected by our clients.

It is our policy, given the uncertainty of income which many pupils have experienced this year, that no third six pupil will be charged any commission on income in 2020. We never ask third six pupils to pay rent.

### **How to apply:**

Applications can be made by sending a CV and cover letter to our Senior Clerk at:
